STEPS TO INCREASE SAFETY AT SCARBOROUGH

Payments

We will not be able to accept cash at this time, payments can be made with credit cards (MasterCard & VISA) or with a check. Starting August, payments can be made on our Website.

Safety Measures

- Anyone who is ill, has a temperature, cough, sore throat, stomachache or exposed to COVID-19, **DO NOT** come to the Club.
- Upon entering and leaving the Club, we ask you use our hand sanitizer. Hand sanitizer is also available on the courts.
- We highly recommend anyone entering the Club wear a mask.
- **Social Distancing Is Required.**
- No lingering/gathering in the Club or in the parking lot. Do not arrive early to hang with friends. When the Clinic is over, Juniors are to be picked up immediately.
- One adult spectator during Junior Clinics (no siblings or friends upstairs during Clinic).
- We will not have demo racquets available until further notice.
- Furniture has been removed to avoid additional surface contact.
- The gym, showers, saunas, nursery, and kitchen have been temporarily closed. We will not be operating the vending machines, towel service, or water fountain. Coffee, water, and beer will not be available.
- We have installed a UVC Disinfecting Air Filtration System for the upstairs area and UVC Germicidal Lamps to daily sanitize the tennis balls in our carts.

Employees

- Our employees will have their temperatures taken every day upon arrival to the Club and wear face masks when off the court.
- Surfaces will be cleaned by staff every hour.

Players

- We recommend that anyone entering the Club wear a face mask. You may take them off on the court (bring a plastic bag to place your face mask). Upon entering the Club sanitize your hands, sanitize your hands on court (sanitizer available on court), and then sanitize upon leaving the Club. No loitering after clinics on the court, in the Club, or in the parking lot.
- We will be limiting the number of Juniors on court to a maximum of 4 students until further notice.
